

## About the Lee M. Burkey, Sr. Society

The Lee M. Burkey, Sr. Society was created in memory of Lee M. Burkey, Sr., an Aging Care Connections board member, donor and community leader. Burkey created our first giving society, the \$500 Club, to help meet the growing needs of our aging community. Today, the society is made up of philanthropists who support Aging Care Connections with a gift of \$1,000 or more annually.

Membership is open to individuals and families. Gifts to the Lee M. Burkey, Sr. Society can be designated to a program or made unrestricted for use in the area of greatest need.

Your generosity is essential to making a difference in the lives of older adults and their families through community-based services that promote dignity, self-respect and independence.
