AGING CARE CONNECTIONS LEE M. BURKEY, SR. SOCIETY

Aging Care Connections is pleased to recognize individuals who are members of the *Lee M. Burkey, Sr. Society* for their annual private gifts and commitments of \$1,000 or more. The *Lee M. Burkey, Sr. Society* is a community of individuals who support the empowering and inspiring legacy of one of Aging Care Connections' finest volunteers and advocates for older adults.

Lee M. Burkey, Sr. believed in access to aging services by everyone who needed them. He exhibited that philosophy through his many gifts – his time as a pioneering board member, his talents as a successful attorney and his treasures as the founder of the first giving society of Aging Care Connections—*The \$500 Club*. Most importantly, it was through Lee M. Burkey, Sr.'s unwavering and tireless passion that Aging Care Connections is housed where it is today and for the future.

With your annual gift of \$1,000 (whether unrestricted or committed to a particular program) you qualify for membership in the *Lee M. Burkey, Sr. Society*. Inclusion in this Society is our way of honoring your philanthropy. Benefits of your membership include:
